

# Make The Vision A Reality.

## **Business strength. Accessibility. Quality of life.**

It's all here in America's second largest financial center. An international business destination with close to 700 foreign-owned firms. A hub for manufacturing & distribution, with a cost-effective and skilled workforce. More flights per capita than any other U.S. region, with daily non-stops to Europe. And you'll enjoy four distinct seasons, with easy access to the mountains and Carolina beaches. Looking to relocate or expand? Call 704.347.8942 or visit [charlotteusa.com](http://charlotteusa.com).
